Description

Chemipro OXI 1 kg

Chemipro OXI is a specialized, multifunctional cleaning agent, ideal for removing light dirt from equipment and bottles. Thanks to its oxidizing action, it effectively removes organic residues, providing fast and safe cleaning.

Recommended dosage:

4 g per liter of hot water

Immerse bottles and other equipment in the solution.

Contact time: 2-5 minutes.

Allow to air dry. No rinsing required after use.

Note:

Contains sodium percarbonate and sodium carbonate.

Essential for use in the food and beverage industry.
