Description

TANIN VR SUPRA® ÉLÉGANCE

TANIN VR SUPRA® ÉLÉGANCE is an instantaneous dissolving preparation of proanthocyanidic and ellagic tannins extracted from oak for red wine vinification.

- Favours colour stabilisation.
- Precipitation of wines' natural proteins for a better preservation of endogenous tannins (sacrificial effect).
- Inhibition of natural oxidation enzymes (laccase, polyphenol oxidase) on *Botrytis*-affected vintages (more efficient than SO₂).
