## **Description**

**Naturally lush vanilla** Made exclusively from selected French oak, NOBILE® SWEET VANILLA chips result from a high-precision toasting process

**Oenological properties** When using oak in oenology, generous, easy-drinking styles of wine are preferred for early release on the market. Thanks to its original composition, NOBILE® SWEET VANILLA contributes to the sensation of sweetness and freshness in the wine. NOBILE® SWEET VANILLA contributes to the development of intense notes of Tahitian vanilla and marshmallow, while respecting the fruit.
