Catalog number: STAF5.5

Brand: Laffort

Shipping time: 24h - available

Price

151,19 PLN

Description

STABIFIX®

Selected and purified arabic gum solution.

STABIFIX® is a hydrophilic colloid which aims to counter hazes and colloidal deposits, allowing the wine to retain maximum clarity:

Stabilises unstable colouring matter.

Increases protection with regard to metallic casks.

Synergistic action with POLYTARTRYL®, for improved stabilisation regarding tartaric precipitations.
