REDSTAB 21,6 kg

Catalog number: REDSTAB21

Brand: Laffort

Shipping time: 24h - available

Price

1 286,00 PLN

Description

REDSTAB®

Potassium polyaspartate provides effective wine stabilisation by preventing the growth of micro-crystals (blocking the formation of crystals), while Verec gum arabic stabilises the colour of the wine.

- recommended for rosé and red wines
- recommended dosage: 100-200 ml/hL
- maximum authorised dosage for wines produced in the EU is 200 ml/hl
